2. **Basis of contract**

2.1 The Order constitutes an offer by the Customer to purchase Goods or Services or Goods and Services in accordance with these Conditions.

- 2.2 The Order shall only be deemed to be accepted when the Supplier issues written acceptance of the Order at which point and on which date the Contract shall come into existence (**Commencement Date**).
- 2.3 Any samples, drawings, descriptive matter or advertising issued by the Supplier and any descriptions of the Goods or illustrations or descriptions of the Services contained in the Supplier's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Services and/or Goods described in them. They shall not form part of the Contract nor have any contractual force.
- 2.4 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by law, trade custom, practice or course of dealing.
- 2.5 Any quotation given by the Supplier shall not constitute an offer, and is only valid for a period of 20 Business Days from its date of issue.
- 2.6 All of these Conditions shall apply to the supply of both Goods and Services except where application to one or the other is specified.
- 2.7 The Customer waives any right it might otherwise have to rely on any term endorsed upon, delivered with or contained in any documents of the Customer that is inconsistent with these Conditions.

3. **Goods**

- 3.1 The Goods are described in the Goods Specification.
- 3.2 The Customer shall indemnify the Supplier against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other reasonable professional costs and expenses) suffered or incurred by the Supplier arising out of or in connection with any claim made against the Supplier for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Supplier's use of the Goods Specification. This clause 3.2 shall survive termination of the Contract.
- 3.3 The Supplier reserves the right to amend the Goods Specification if required by any applicable statutory or regulatory requirement, and the Supplier shall notify the Customer in any such event.

4. **Delivery of Goods**

- 4.1 The Supplier shall ensure that:
- 4.1.1 each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, the contract number or the relevant Customer and Supplier reference numbers, the type and quantity of the Goods (including the code number of the Goods, where applicable), special storage instructions (if any) and, if the Order is being delivered by instalments, the outstanding balance of Goods remaining to be delivered; and

- 4.4 Any dates quoted for delivery of the Goods are approximate only, and the time of delivery is not of the essence. - 4.5 If the Supplier fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the Price of the Goods. The Supplier shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
- 4.6 If three Business Days after the day on which the Supplier notified the Customer that the Goods were ready for delivery the Customer has not accepted actual delivery of them, the Supplier may resell or otherwise dispose of part or all of the Goods and charge the Customer for any shortfall below the Price of the Goods.
- 4.7 The Supplier may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.

- 7.1 The Supplier shall supply the Services to the Customer in accordance with the Service Specification in all material respects.
- 7.2 The Supplier shall use all reasonable endeavours to meet any performance dates for the Services specified in the Service Specification, but any such dates shall be estimates only and time shall not be of the essence for the performance of the Services.
- 7.3 The Supplier reserves the right to amend the Service Specification if necessary to comply with any applicable law or regulatory requirement, or if the amendment will not materially affect the nature or quality of the Services, and the Supplier shall notify the Customer in any such event.
- 7.4 The Supplier warrants to the Customer that the Services will be provided using reasonable care and skill.

- 8.2.1 without limiting or affecting any other right or remedy available to it, the Supplier shall have the right to suspend performance of the Services until the Customer remedies the Customer Default, and to rely on the Customer Default to relieve it from the performance of any of its obligations in each case to the extent the Customer Default prevents or delays the Supplier's performance of any of its obligations;

- 9.3 The Supplier reserves the right to:

- 9.3.1 increase the Price of the Goods, by giving notice to the Customer at any time before delivery, to reflect any increase in the cost of the Goods to the Supplier that is due to:
- (a) any factor beyond the control of the Supplier (including foreign exchange fluctuations, increases in taxes and duties, and increases in labour, materials and other manufacturing costs);
 - (b) any request by the Customer to change the delivery date(s), quantities or types of Goods ordered, or the Goods Specification; or
 - (c) any delay caused by any instructions of the Customer in respect of the Goods or failure of the Customer to give the Supplier adequate or accurate information or instructions in respect of the Goods.

Until they have been returned, the Customer shall be solely responsible for their safe keeping and will not use them for any purpose not connected with this Contract.
- 14.2 Termination or expiry of the Contract shall not affect any rights, remedies, obligations and liabilities of the parties that have accrued up to the date of termination or expiry, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry.

14.3 Any provision of the Contract that expressly or by implication is intended to have effect after termination or expiry shall continue in full force and effect.

Except for the obligation to make payment, neither party shall be in breach of the Contract nor liable for delay in performing or failure to perform, any of its obligations under the Contract if such delay or failure result from events, circumstances or causes beyond its reasonable control (a **Force Majeure Event**). 16.3 **Severance.** If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed deleted, but that shall not affect the

validity and enforceability of the rest of the Contract. If any provision or part provision of the Contract is deemed deleted under this clause 16.3 the parties shall negotiate in good faith to agree a replacement provision that, to the greatest extent possible, achieves the commercial result of the original provision.
